Dear Mr. Holly,

Attached are responses for your recent requests for additional information.

The first is an amendment to our 30-day post general report, and it contains the Post – Election Detailed Summary Page you requested.

The second is an amendment to our Year-End report, it contains several refunds for contributions received too late in the election cycle (copies of refund checks are included) and an amended report updating the Column B figures.

Thank you for help, and please contact me with any further questions.

Sincerely,
